

CHAR BAR

Welcome to the Char Bar, the beating heart of The Butcher. With us you will embark on a journey that hints of nostalgia while carrying the torch forward with new tastes and experiences. We bring you a cocktail list that takes its inspiration from the earth.

Exploring the tastes of varying biomes, we travel through this paradise with curiosity and a playful spirit. Journey with us over vast oceans, through the balmy tropics, across broad deserts, and up into the sky! Return home to Minnesota- and remember why we hold this place so dear to our hearts.

Dive into the menu & please ask the bar which unique beer releases we're featuring, what special spirits we may have, what pairings we recommend, or just hang out with a beer and a burger. We are here to meet you where you are on your journey. We look forward to serving you and welcoming you into our new home with unparalleled hospitality.

Cheers!
